Julie Ann,
To the greatest friend a girl
Could ever want. Don't forget
all of the great times we have
had! It is so hard for me
Not having you around here
all of the time, But I just think
of all the fun we have had and
all of the memories we have shared
together, and it makes me feel
better just knowing that you are
around willing to listen to my problems.
Its hard to believe that we will Be
Seniors next year. But don't forget our
trip to Hawaii, and all of the fun
we will have. Julie, there is no way
I can write down here how much
our friendship means to me. I Could
Never have faced the world without
You. You are Like a Sister to me,
and as long as I live, I never
want that to change. So
Julie, just promise me that
our friendship will last for
ever. as much as we have Both
Been through together it is
a wonder we do ever friend.
So Julie, I Can't think of
much More to say. except
I sure do Miss you alot.

Love ya always
